KINDERGARTEN FEES SUBSIDY

Families of children who attend the ECLC and identify as Aboriginal or Torres Strait Islander or who have one of the following cards, visas or documents are eligible for a Kindergarten Fees Subsidy payment:

- Commonwealth Health Care Card
- Pensioner Concession Card
- Temporary Protection/Humanitarian Visas 447, 451, 785 or Asylum Seekers on Bridging Visas A-F and Refugee and Special Humanitarian Visas holders 200-217
- Department of Veterans Affairs Gold Card or White Card
- If triplets or quadruplets are attending kindergarten in the same year the family is also eligible for the subsidy for each child

The Kindergarten Fees Subsidy works to support eligible families by meeting the cost of preschool per week.

This is indexed annually on 1 January. It is paid by the Victorian Government to kindergarten services as part of the normal funded program payment process.

Eligible families are required to advise the Head of Junior School of their eligibility, either at the time of enrolment or during the ECLC year. They are required to show the relevant document confirming eligibility and have any relevant expiry dates recorded.

The Head of Junior School will then apply for the Kindergarten Fees Subsidy on behalf of eligible families, through the ECLC's data collection report to the Department of Education and Early Childhood Development. Fees payable by parents will be reduced by the amount of the subsidy.

STUDENT ACCIDENT INSURANCE

Wesley College prides itself on the level of care and the provision of a safe learning environment for all students.

Even in the safest environment, accidents and injuries can still occur. The College Council, recognising there may be costs associated with student injuries, has purchased a "Group Student Accident Policy" which is provided free to all families.
