WESLEY COLLEGE

MELBOURNE AUSTRALIA · SINCE 1866

A True Education

All applications are prioritised based on the date of receipt of the application and many families choose to submit applications shortly after their child is born. A further priority is given to siblings of current students and the children of Old Wesley Collegians, but early registration is strongly advised, to secure a place.

APPLICATION FEE

A \$200 fee is payable with an application for enrolment. This fee is neither refundable nor transferable. This fee is waived for children and grandchildren of Old Wesley Collegians.

CONFIRMATION FEE

- A Confirmation Fee of \$1,200 is payable to confirm the enrolment. This fee is neither refundable nor transferable
- A Tuition Contribution Fee* of \$2,800 is payable to ensure the position is reserved at the nominated year level. This payment is deducted from the first account after the student has commenced Prep if enrolling in the ECLC or the first account after commencement for all new students Prep-Year 12. This fee is most commonly deducted from the April account, is not refundable, nor able to be deferred to a future year level, nor transferable to another student.

* Refer to *Wesley College Enrolment Procedures – Domestic* for full details

ANNUAL FEES

Fees are made up of four compulsory components – a Tuition Fee, an Infrastructure Levy, a Consolidated Charge, and an International Student Levy (Temporary Residents only):

- The Tuition Fee, the Infrastructure Levy, and the International Student Levy (if applicable) are payable in advance on 1 October 2022 for Semester 1 2023, and are billed on 1 April 2023 for Semester 2 2023
- The Consolidated Charge is billed during the year of tuition on 1 April 2023 for Semester 1 2023 and on 1 October 2023 for Semester 2 2023. Year 12 students will be billed their annual Consolidated Charge in full on 1 April 2023, together with the final Tuition Fee
- GST is not applicable to the Tuition Fee, the Infrastructure Levy nor the International Student Levy. The Consolidated Charge, however, includes some services to which GST is applicable

The College has a three-month instalment option for families to settle the 1 October and 1 April semester invoices. Please note, settlement of the Semester 1 2023 school fee invoice is confirmation of your re-enrolment with Wesley College and acceptance of the College's published terms and conditions as updated from time to time on the website. The College Associate Director, College Treasury & Secretary is authorised by the Wesley College Council to take whatever steps are deemed necessary to recover overdue accounts.

KINDERGARTEN FEES SUBSIDY

Families of children who attend the ECLC and identify as Aboriginal or Torres Strait Islander or who have one of the following cards, visas or documents are eligible for a Kindergarten Fees Subsidy payment:

- Commonwealth Health Care Card
- Pensioner Concession Card
- Temporary Protection/Humanitarian Visas 447, 451, 785 or Asylum Seekers on Bridging Visas A-F and Refugee and Special Humanitarian Visas holders 200-217
- Department of Veterans Affairs Gold Card or White Card
- If triplets or quadruplets are attending kindergarten in the same year the family is also eligible for the subsidy for each child

The Kindergarten Fees Subsidy works to support eligible families by meeting the cost of preschool per week.

This is indexed annually on 1 January. It is paid by the Victorian Government to kindergarten services as part of the normal funded program payment process.

Eligible families are required to advise the Head of Junior School of their eligibility, either at the time of enrolment or during the ECLC year. They are required to show the relevant document confirming eligibility and have any relevant expiry dates recorded.

The Head of Junior School will then apply for the Kindergarten Fees Subsidy on behalf of eligible families, through the ECLC's data collection report to the Department of Education and Early Childhood Development. Fees payable by parents will be reduced by the amount of the subsidy.

Wesley College is not a participating service for the Free Kinder Program.

STUDENT ACCIDENT INSURANCE

Wesley College prides itself on the level of care and the provision of a safe learning environment for all students.

Even in the safest environment, accidents and injuries can still occur. The College Council, recognising there may be costs associated with student injuries, has purchased a "Group Student Accident Policy" which is provided free to all families.
