Wesley College Glen Waverley campus

Wesley College St Kilda Road campus

Community College at Wesley

Community College at Wesley

WESLEY COLLEGE

MELBOURNE AUSTRALIA - SINCE 1866

A True Education

Who Are We?

The Community College at Wesley provide for a myriad of activities that occur outside normal school hours. We offer a range of programs designed to support families, encourage individual learning and provide positive outcomes for the Wesley and broader community.

These include:

- After School Classes
- Before and After School Care (offered in partnership with *Looked After - Extend*)
- School Holiday Programs (offered in partnership with *TeamKids*)
- School Holiday Workshops
- Melbourne Gymnastics Centre (child and adult classes)
- Recreation and Fitness Club
- Albert Park Tennis and Hockey Centre
- Facility Hire, across all campuses including the:
 - Glen Waverley Coates Pavilion
 - St Kilda Road Chapel
 - St Kilda Road Adamson Theatre
 - Outdoor Education sites (Clunes and Chum Creek)

For more information, please visit the School Community section on www.wesleycollege.edu.au

Code Camp

Dates and Cost: **Monday 16 December - Wednesday 18 December** (3 days): \$350
(*Spark, Ignite, Blast 3D* and *Little Heroes*)

Tuesday 7 January - Thursday 9 January (3 days): \$350
(*Little Heroes, Spark, Ignite* and *Web Builders*)

Monday 20 January - Thursday 23 January (4 days): \$440
(*Little Heroes, Spark, Ignite* and *Blast 3D*)

Time: 9.00am - 3.30pm program
(Can drop off from 8.00am and pick up until 5.00pm for extra \$10 fee)

Location: Glen Waverley campus Senior School classrooms

Suitable ages: 5 - 13 years of age

Learn to code, have fun, be creative, and enjoy using logic and problem solving skills to build your very own iPhone app!

- **Little Heroes** (Ages 5 - 6)

For our littlest coders, this fun and interactive camp is so much fun they won't realise they're learning important concepts and skills!

- **Spark** (Ages 7 - 12)

More than 50,000 kids have loved Spark so far. It's our most popular course where kids build their very own game using drag & drop coding!

- **Ignite** (Ages 7 - 12)

If your kids enjoyed *Spark*, they'll love *Ignite*. New features, more creativity, harder code and logic (including a little bit of JavaScript each day!), more brainstorming, and simply an epic amount of school holiday fun!

- **Web Builders** (Ages 8 - 13)

Web Builders is where technology, creativity and your child's passions intersect. They'll create their very own website about their favourite animal, movie or sporting team (or any other topic). They'll walk away with a website that they have built from scratch, along with a newfound understanding of HTML, CSS & JavaScript!

- **Blast 3D** (Ages 8 - 13)

After conquering *Spark*, *Blast 3D* is the next step. We still use game creation, only this time, the coding gets more complex, the creativity rises to another level, and the fun and excitement are through the roof!

National Institute of Dramatic Art (NIDA)

Dates: Various durations: 2 to 5 days from Monday 6 January - Sunday 19 January
Cost: Depends on duration, \$285 - \$625
Location: St Kilda Road campus Music School building
Suitable ages: Prep - Year 2, Years 3 - 6, Years 7 - 10 and Years 11 - 12

NIDA Open gives people of all ages and experiences the chance to benefit from NIDA's world-renowned training methods and explore their own creativity. A variety of courses suited to school-aged children are run throughout the school holidays. Some of the programs being held these holidays include:

- **NIDA Mini News (Prep – Year 2)**

Find out what it takes to be a TV presenter. Report on huge news stories such as the ongoing saga of the *Three Little Pigs*, *Humpty Dumpty* and other breaking news.

- **Stage and Screen School (Years 3 - 6 and Years 7 - 10)**

Spend a week exploring performance for both stage and screen in this practical introduction to acting.

- **NIDA Drama School (Years 3 - 6 and Years 7 - 10)**

A comprehensive course for committed young people. Develop performance skills including improvisation, voice and movement, acting and rehearsing scenes.

- **Devising for the VCE**

Work with an industry professional to explore approaches to devising both ensemble and individual performance work, with a focus on physical theatre and movement.

This is just a sample of what's on offer – please visit the NIDA website for more detailed information.

Important Information

How to enrol

Please contact the individual program providers listed directly for bookings and more information.

Please ensure that you have registered your child before they attend any School Holiday Workshop. This allows the provider adequate time to prepare staffing requirements.

For more information, please contact Community College:

Tel: + 61 3 8102 6266
