Wesley College St Kilda Road campus
and Online too!

Community College at Wesley

Who Are We?

The Community College at Wesley provide for a myriad of activities that occur outside normal school hours. We offer a range of programs designed to support families, encourage individual learning and provide positive outcomes for the Wesley and broader community.

These include:

- After School Classes
- Before and After School Care (offered in partnership with *Looked After - Extend*)
- School Holiday Programs (offered in partnership with *TeamKids*)
- School Holiday Workshops
- Melbourne Gymnastics Centre (child and adult classes)
- Recreation and Fitness Club
- Albert Park Tennis and Hockey Centre
- Facility Hire, across all campuses including the:
    - Glen Waverley Coates Pavilion
    - St Kilda Road Chapel
    - St Kilda Road Adamson Theatre
    - Outdoor Education sites (Clunes and Chum Creek)

For more information, please visit the School Community section on *www.wesleycollege.edu.au*

Code Camp

Keep the boredom at bay with a Code Camp Online program! You can inspire your child's creativity these school holidays from the comfort of your own home.

Select a week of the school holidays and your child will receive two hours of exciting and engaging activities to complete each day. This means you don't have to complete the program at the same time each day. It's flexible. Your child can be creative when it suits their schedule!

Code Camp's live tutor team will be online Monday - Friday between 9:30 am - 3:30 pm to help your kids over the course of the week.

- **Animation Online** (ages 8-12)

Brand new for Spring, Code Camp are offering **Animation Online**, the exciting intersection between storytelling, art, and technology! Your child will create their own clay and LEGO movies using stop-motion animation. Sessions take place within Code Camp's online platform, Code Camp World. Your child will be welcomed each morning via Zoom, before following our comprehensive learning materials to learn the skills to produce their animated movies. Live tutor support will be on hand to assist!

- **Coding Camps Online** (ages 7 - 13)

Spark: Code Camp's most popular camp where all kids aged 7-12 should start their coding journey with drag & drop coding.
Ignite: Build an advanced game using drag & drop coding and a hint of JavaScript - the language of the web!
Blast: Take your child's coding skills to another dimension as they build a 3D adventure game in pure JavaScript!
Web Builders: Build a website in pure HTML. Web Builders is where technology, creativity and your child's passions intersect.

Melbourne Magic Academy

Dates: Wednesday 22 September.
Time: 9:30am - 30min virtual family Magic Show ($15 per family)
10:30am - 2 hour virtual Magic Workshop! $60 per child (includes all magic material shipped to your door)

Magic Show

If you have ever seen Tim perform before you know it is a non-stop, engaging, interactive experience that will have kids rolling with laughter as they take centre stage and become the stars of the show! Who knows what could happen, you may encounter anything from a mind reading monkey to special gloves that give you REAL superpowers.
Although you had better hope there isn't any snakes...Tim is petrified of snakes!

Magic Workshop

When you sign up for the workshop we will send all of your magic goodies through AusPost!
DO NOT OPEN THEM until told to during the workshop. We will learn together, perform magic for each other and play heaps of crazy games throughout the session.
No prior magic knowledge is needed.
Children will receive:

• 2 top secret file folders with instructions of everything we learn in the session
• Lifetime access to online instructions for all the tricks we learn in the workshop (plus more)
• Some bonus surprises

To find out more and to book for either or both of the above, head to:
magicacademy.com.au/magic-morning
