

# School Holiday Workshops

---

**Term 3 Holidays 2019**

Available for all children at:  
Glen Waverley campus  
St Kilda Road campus

Community College at Wesley

Community College at Wesley

## Who Are We?

The Community College at Wesley provide for a myriad of activities that occur outside normal school hours. We offer a range of programs designed to support families, encourage individual learning and provide positive outcomes for the Wesley and broader community.

These include:

- After School Classes
- Before and After School Care (offered in partnership with *Looked After - Extend*)
- School Holiday Programs (offered in partnership with *Team Kids*)
- School Holiday Workshops
- Melbourne Gymnastics Centre (child and adult classes)
- Recreation and Fitness Club
- Albert Park Tennis and Hockey Centre
- Facility Hire, across all campuses including the:
  - Glen Waverley Coates Pavilion
  - St Kilda Road Chapel
  - St Kilda Road Adamson Theatre
  - Outdoor Education sites (Clunes and Chum Creek)

For more information, please visit the Community College section under the Our Community tab on [www.wesleycollege.net](http://www.wesleycollege.net)

## Code Camp

**Dates and Cost:** **Monday 23 September - Thursday 26 September** (4 days): \$440  
(includes *Spark*, *2D Game Makers*, *3D World Builders*, *Web Hackers*) or  
**Tuesday 24 September - Wednesday 25 September** (2 days): \$240  
(*Little Heroes* only)

**Time:** 9.00am - 3.30pm program  
(Can drop off from 8.00am and pick up until 5.00pm for extra \$10 fee)

**Location:** Senior School classrooms C101, C102, C103, C106, C107 and B102

**Suitable ages:** Prep - Year 7

Learn to code, have fun, be creative, and enjoy using logic and problem solving skills to build your very own iPhone app!

- **Little Heroes** (Prep - Year 1) New students  
Our little coders make their first small but important leap from consumers to creators of tech. Build awesome mini-games and learn about coding using a mixture of iPad and physical based learning.
- **Spark** (Years 2- 6) New students  
Fun, engaging and challenging - our most popular Camp that over 25,000 students have completed.
- **2D Game Makers** (Years 2 - 7) Returning students  
Your child will confidently learn the code and logic to create flashing gems, invisibility cloaks, spinning platforms, mini-games, bouncing clouds, shrinking potions and so much more! We asked 10,000 *Spark* kids what they'd love to create next, and then put our creative team to the task of bringing this to life as a brand new course. Mission accomplished. But we also added more logic, more code, more problem solving... and introduced JavaScript, the language of the web!
- **3D World Builders** (Years 3 - 7) Returning students  
If your kids loved coding with unicorns, aliens and zombies in our *Spark* and *2D Game Makers* programs, get ready to see unbelievable excitement when their characters come to life in 3D! Gain real-world coding skills at 3D World Builders using JavaScript.
- **Web Hackers** (Years 3 - 7) Advanced students  
Your kids can now build their own website at Code Camp! Starting from scratch, students will learn HTML, CSS and JavaScript to create a multi-page website on a topic of their choice.

## Code Camp

**Dates and Costs:** **Wednesday 17 September - Friday 19 September** (3 days): \$350  
(includes *Spark* and *3D World Builders*) or

**Tuesday 1 October - Thursday 3 October** (3 days): \$350  
(includes *Spark*, *2D Game Makers* and *3D World Builders*) or

**Wednesday 2 October - Thursday 3 October** (2 days): \$240  
(*Little Heroes*)

**Time:** 9.00am - 3.30pm

(Can drop off from 8.00am and pick up until 5.00pm for extra \$10 fee)

**Location:** Middle School classrooms M0.01, M0.02, M0.03, M0.04, M0.06 and M0.07

**Suitable ages:** Prep – Year 7

Learn to code, have fun, be creative, and enjoy using logic and problem solving skills to build your own iPhone app!

- **Little Heroes** (Prep - Year 1) New students

Our little coders make their first small but important leap from consumers to creators of tech. Build awesome mini-games and learn about coding using a mixture of iPad and physical based learning.

- **Spark** (Years 2- 6) New students

Fun, engaging and challenging and are our most known Code Camp that over 25,000 students have completed.

- **2D Game Makers** (Years 2 - 7) Returning students

The next step in your child's game-making and coding journey. Your child will confidently learn the code and logic to create flashing gems, invisibility cloaks, spinning platforms, mini-games, bouncing clouds, shrinking potions and so much more! We asked 10,000 *Spark* kids what they'd love to create next, and then put our creative team to the task of bringing this to life as a brand new course. Mission accomplished. But we also added more logic, more code, more problem solving... and introduced JavaScript, the language of the web!

- **3D World Builders** (Years 3 - 7) Returning students

If your kids loved coding with unicorns, aliens and zombies in our *Spark* and *2D Game Makers* programs, get ready to see unbelievable excitement when their characters come to life in 3D! Gain real-world coding skills at 3D World Builders using JavaScript.

# National Institute of Dramatic Art (NIDA)

**Dates:** Various durations: 1 to 5 days from Monday 23 September - Sunday 29 September  
**Cost:** Depends on duration, \$175 - \$620  
**Location:** St Kilda Road campus  
**Suitable ages:** Prep - Year 2, Years 3 - 6, Years 7 - 10 and Years 11 - 12

NIDA Open gives people of all ages and experiences the chance to benefit from NIDA's world-renowned training methods and explore their own creativity. A variety of courses suited to school-aged children are run throughout the school holidays. Some of the programs being held these holidays include:

- **Mini Pop Stars (Prep - Year 2)**

Get ready for action as you discover all the moves that make a pop star! Create a character, learn a dance routine and invent your own lyrics to a funky tune.

- **National NIDA News: TV Presenting (Years 3 - 6)**

Learn what it takes to be a TV presenter, develop your own news stories and present them to camera.

- **NIDA Drama School (Years 3 - 6 and Years 7 - 10)**

A comprehensive course for committed young people. Develop performance skills including improvisation, voice and movement, acting and rehearsing scenes.

- **NIDA Actors Project (Years 11 - 12)**

Experience the core principles of NIDA actor training. Collaborate with a NIDA tutor to create voice, movement and devised performance projects.

This is just a sample of what's on offer – please visit the NIDA website for more detailed information.
